Moringa Millet Energy Bar

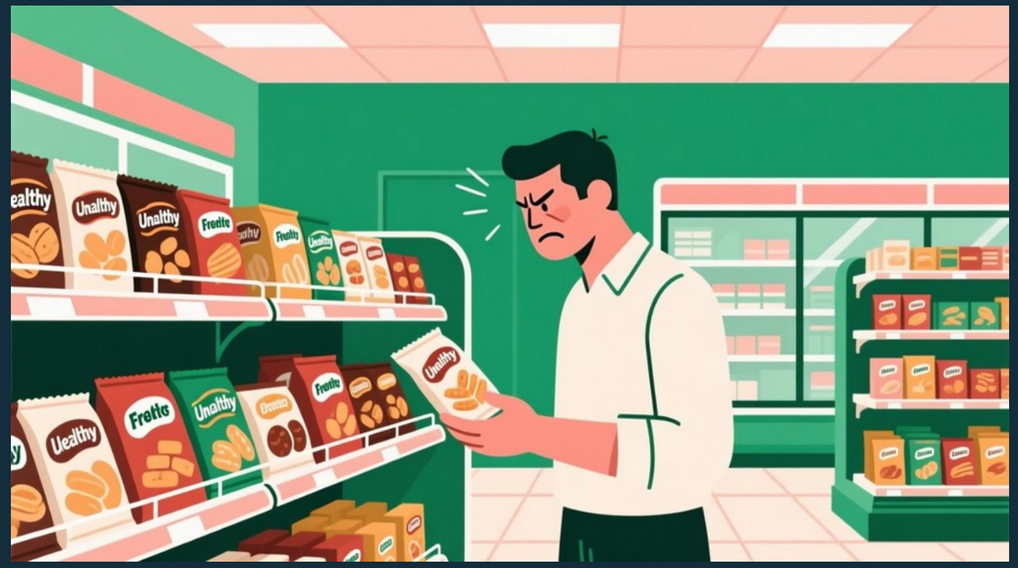
The Perfect Post-Workout and Travel Snack

Desherb

The Challenge & Solution

The Challenge

Finding a healthy, convenient snack that delivers both nutrition and taste without compromising on quality.



The Solution

Desherb's Moringa Millet Energy Bar - a perfect balance of nutrition, taste, and convenience in one natural package.

What is the Moringa Millet Energy Bar?

Balance of taste + nutrition + convenience

Moringa

Nutrient-dense superfood leaf powder

Jowar & Barnyard Millet

Ancient grains rich in fiber and minerals

Flax & Sesame Seeds

Omega-rich seeds for heart health

Dates & Jaggery

Natural sweeteners with minerals

Trail Mix

Nuts and dried fruits for texture and flavor

Why Moringa & Millets?

Post-Workout Benefits

Plant-Based Protein

Essential amino acids support muscle recovery and growth

Reduces Muscle Soreness

Anti-inflammatory properties help minimize post-workout pain

Replenishes Energy

Complex carbohydrates restore glycogen levels depleted during exercise

Electrolyte Balance

Natural minerals help restore electrolyte balance after sweating

Perfect Travel Snack

Compact & Non-Perishable

Easily fits in any bag without refrigeration needs

Sustained Energy

Complex carbs and healthy fats provide long-lasting energy

Mess-Free

Clean eating without crumbs or sticky residue

TSA-Friendly

Solid food that passes through airport security with ease

Vegan & Gluten-Free

100% Vegan

No animal products or byproducts

Gluten-Free

Safe for those with celiac disease or gluten sensitivity

Perfect For:

Fitness Enthusiasts

Clean fuel for active lifestyles

Students

Brain food for long study sessions

Busy Professionals

Convenient nutrition between meetings

Nutritional Powerhouse

Naturally Sweetened

Only dates & jaggery for natural sweetness

- No refined sugar
- No artificial sweeteners
- No corn syrup

Clean Label Promise

- No artificial preservatives
- No artificial flavors
